2017-2018 Family Guide

Developing the whole child through the choral music process

Congratulations and welcome to the Platteville Children's Choir (PCC)! This membership guide provides some basic information for you to review before the first rehearsal on September 11th. The information in this guide will be very important to you throughout the entire PCC season. Please read it carefully. On opening night, **September 11th, 2017**, we will hold a brief (15 minute) welcome program in the Center for the Arts, UW-Platteville campus, at 6:30PM to introduce the staff and all singers. Parents are urged to attend this meeting and stay afterward to ask questions after the choirs disperse to rehearse.

16 In addition to this guide, PCC will communicate with you regularly through the following four methods:

www.FACEBOOK.com/PlattevilleChildrensChoirs: During the season we will send out information by posting it on the PCC Facebook page. "Like" our page now and opt to "receive notifications" by email. Weather cancellations are posted here as well as links to printable forms and calendars.

WEBSITE: Detailed information, weather cancellations and links to printable forms are available on the Platteville Chorale website, www.pchorale.org.

EMAIL: (Essential for participation.) PCC will occasionally send emails from pcchoir1@gmail.com. Please add this and your director's email address to your email address book. These emails are a critical communication link containing important news, updates, volunteer opportunities, and the schedule reminders. It is important that we have your current email address; if your email or other contact information changes during the year, please provide us with updates.

MUSIC BAG: Occasionally, non-urgent but important information will be sent home with your child in their music bag. Please check this bag following each week's rehearsal.

WHAT IS PCC?

HISTORY

The Platteville Children's Choir (PCC) was established in 1989 by the Platteville Chorale and is governed by the bylaws of that organization. The Platteville Chorale is a community chorus initiated in 1975 by Dr. Gerald Darrow, the Director of Choral Activities in the Music Department at the University of Wisconsin-Platteville at that time. He, together with his wife Sarah and the officers of the Chorale, envisioned the need and the opportunity to begin something important for the Platteville community as well as all of southwestern Wisconsin. The initial choir was composed of about sixty 4th, 5th and 6th grade students from the general area. The Choir was expanded in the fall of 1998 with the guidance of Dr. Christina Shields to three choirs: the Training Choir, the Treble Choir and the Youth Ensemble. Currently these three auditioned choirs are called the Apprentice Singers (primarily 2nd, 3rd and 4th grade children), Choristers (primarily for 4th, 5th and 6th grade singers) and Cantabile (primarily for 6th, 7th and 8th grade singers.) With the expansion came the motto "Developing the whole child through the choral music process".

For a number of years the annual calendar has included: auditions in May or August, a concert in late November together with the Chorale, singing at the University's Holiday Gala in early December, informal holiday concerts at the Rollo Jamison Museum in mid-December, a whole-day tour of area schools with one-half hour concerts in late April, and a final spring concert in late April. Every other year, Cantabile makes a weekend tour. In 2005, 2007, 2011, and 2013 the tour was to the Twin Cities area in Minnesota, singing with the Northfield Youth Choir. In 2009, Cantabile traveled to Milwaukee, giving a concert together with the Milwaukee Children's Choir.

In January of 2007, a new Training Choir, currently named Music Explorers was initiated. It is designed to give children a foundation for choral music with an emphasis on the development of musical skills. This choir is open to first and second graders without audition.

Through the years, the organization has continued to grow. It has been blessed with excellent leaders who are both outstanding musicians and personnel. In 2016, the Platteville children's Choir celebrated 25 years with a reunion program which included many "alumni" of the program.

Dwight Klaassen, past president of the Chorale since 1994, has given vision to the Children's Choir program since then and has faithfully volunteered his administrative guidance. In the summer of 2015, Margaret Ruf began her role as the PCC Administrator. Luanne Rogers, who retired in 2016, had been a Music Director since 1998 and Marcia Russell, who retired in 2015, also served as a director since 1998. Rebecca Lansing and Susan Cramer joined PCC as directors in the 2015-2016 season. Joining PCC in 2016 were David Murphy, Daniel Hemming, and Kelly Nash. This is Shelly Black's 21st season as an administrative assistant. Over 1000 young singers throughout southwestern Wisconsin have been impacted by the Platteville Children's Choir fulfilling its mission to "Develop the whole child through the choral music process."

SCHOLARSHIPS

The Platteville Chorale Board of Directors is dedicated to ensuring that PCC is affordable for every member. PCC encourages members with financial need to request a scholarship. Full and partial scholarships are awarded and amounts awarded are based on need, available funds, and the number of requests. Scholarships are not based on musical merit. Submit your request verbally or in writing to Dwight Klaassen. Requests are kept confidential.

FUNDRAISING

There are **NO** fundraising activities required or requested from singers in the program. Each year, tuition covers less than 60% of the cost of PCC programs. Concert ticket sales, donations, and community grants and support funds from the Platteville Chorale, Inc. make up the balance of the program costs. Since Platteville Children's Choir is an operation of the Platteville Chorale, Inc., you will be offered an opportunity to make a tax deductible donation to the Chorale in the fall. When additional semiannual tour costs are required for Cantabile, an opportunity is offered to its members to do fundraising activities.

AUDITIONS, CHOIR ASSIGNMENTS, AND PROMOTIONS

MUSIC EXPLORERS

Children do not need to audition to participate in the Music Explorers. This choir helps children develop basic musical skills through singing, dancing, playing instruments, and improvising music. They are filled on a pre-paid basis. Currently, this program is open to 20 members. At the end of the program, students will be offered the opportunity to audition for entry into the Apprentice Singers or Choristers. Acceptance is dependent upon vocal and maturity levels.

AUDITIONS

All singers in the Platteville Children's Choir, except the Music Explorers, are admitted by audition. Singers in grades 1 through 7 may audition. Those who are members of the choir may remain in the program until they complete grade 8 without re-auditioning. Auditions are held in the beginning of May each year. Those accepted into the Choir must sign a contract with the choir stating their understanding and agreement with the expectations of the choir. We are a choral music education organization and we teach children how to sing chorally, not soloistically. Potential singers are often recommended by their school music teacher.

The directors who do the auditions are teachers, know and love children, are kind and gentle, and will be very supportive. A parent or guardian may accompany the singer for the audition at the discretion of the singer, but siblings and friends are not allowed in the room. At the audition, the directors will have the child sing some familiar songs with and without piano accompaniment and will check the singer's voice range. The total audition is about 10 minutes long. No preparation for the audition is required. However, it is useful for the singer to practice singing with someone, become comfortable singing by themselves, and practice singing their own part in a round like "Row, Row, Row Your Boat." The directors will rate the singer's ability to match pitch, remember rhythms, read with fluency, follow instructions and read music. They will also observe the singer's breath support, posture, vocal technique, and tonal memory. This does not mean the singer must be greatly advanced in any of these areas, but it does help the teacher know in which areas learning is required and helps with the proper choir placement.

The most important qualities children need are a clear and pleasant singing voice, a love to sing and an ability to match pitch. Everyone who auditions will receive a written notice giving the audition results and possible choir placement for your child within two to three weeks of the audition.

PROMOTIONS

The Platteville Children's Choir program consists of approximately 130 children in four groups. They differ in the singer's ability and experience, generally based on age and grade level. Progression from choir to choir is based mainly on vocal and skill level. Commitment, behavior and musical knowledge are also considered, though as secondary factors. The Music Explorers will schedule group vocal hearings for all singers at the conclusion of the season. Advancement to the performing choirs will be determined based upon this hearing and observations throughout the season. The Apprentice Singers' Director will make promotion decisions based upon observation of the singers within the choir season. The Chorister Director will schedule individual vocal hearings for recommended singers at the conclusion of the season. Advancement to Cantabile will be determined based upon this hearing and observations throughout the season.

PCC CODE OF CONDUCT

As a member of the Platteville Children's Choir, members are "ambassadors" for the entire organization and behavior reflects upon the entire group. Members are expected to use good manners, display common courtesy, show consideration for others, and respect the staff and facilities. Members understand that a successful PCC experience requires a cohesive group wherein each individual accepts and follows the same standards of behavior. PCC is dedicated to educating a diverse student body. PCC affirms its commitment to a community in which all students and staff are accepted as individuals.

1. Members will respect the guidance and authority of the PCC staff at all times
2. It is a privilege for PCC to use the facilities of the University of Wisconsin – Platteville and the First English Lutheran Church. Members will respect them as guests.
3. Members will be required to act appropriately during rehearsals. Although the directors acknowledge the appropriate energy and enthusiasm children are known for, if a member disrupts the musical process with inappropriate behavior, the directors will act to modify that behavior with verbal warnings, time away from the ensemble and/or removal for the rehearsal followed by parent conference prior to readmission to rehearsal. Two such instances may result in permanent dismissal from the choir.
4. Members are expected to arrive at choir events on time, having used the restroom just prior to rehearsal. Members should bring a water bottle and a pencil to rehearsal.
5. Cell phones and other electronic equipment must be turned off during rehearsals; consequently, no texting is allowed

ATTENDANCE POLICY

PCC singers are required to attend all rehearsals and performances and tours scheduled for their choir. Each singer holds a valuable place in the choir. Absences affect not only the individual singer's progress, but also that of the entire ensemble. PCC's attendance policy exists to ensure a safe and positive experience for all members. It is expected that all dates for rehearsals, performances and tours will be placed on your yearly calendar as a priority commitment.

Why is attendance important?

In order to maintain standards of musical excellence, PCC requires a commitment to consistent and punctual attendance of rehearsals, performances and special events by all of its members. Since the choir is a team with equal, balanced sections, absences and tardiness disrupt the progress and quality of rehearsal and performances.

How are absences handled?

Absences exceeding two (2) rehearsals per semester will be probable cause for dismissing the member from singing in that concert. The member will still be expected to attend all remaining rehearsals. Failure to do so will be probable cause for dismissal from the PCC program. Unexcused absences from a concert or tour will result in dismissal of the member from the program. Tardiness or leaving early will be noted, with every three (3) occurrences counted as a single absence.

How should I report an absence?

- All planned absences must be reported to the Administrative Assistant, pcchoir1@gmail.com and the director at least one week in advance of an absence.
- Last minute absences due to illness or emergency should be emailed to the Admin. Assistant: pcchoir1@gmail.com. Directors are not likely to be reached 30 minutes prior to rehearsal. Contact the Adm. Asst. by email or text.
- An electronic submission absence form can be found on the pchorale.org website.
- When reporting any absence by email or phone, the following information should be included: 1) singer's name, 2) best email address, 3) choir, 4) date of absence, 5) reason for absence (required).
- Expect a phone call from the choir intern or Administrative Assistant during rehearsal if you do not follow the above procedure.

What about Concert and Tour attendance?

Attendance is required at all PCC concerts and tours in which your choir is performing. A reason for absence from a concert must be given to the Administrative Assistant and your director as far in advance as possible. Failure to do so will be probable cause for dismissal from PCC. Following that notification, issues related to absences and participation determinations will be handled by the Platteville Children's Choir Administrative Committee composed of Directors and Administrative personnel. Sports practices and games are not considered reasonable excuses to miss a concert.

Planning for the year

A worksheet on page 14 of the Family Guide can assist you in planning your attendance. Keep in mind that planned absences should be kept to a minimum to allow for unexpected conflicts. Please work as a family at the beginning of the year to set priorities regarding your extracurricular activities, family events, and school music activities. This is possible with some effort and advance planning. If you have a conflict, directors request you attend any part of the rehearsal you are able.

Who keeps track of absences?

The PCC staff carefully tracks absences, tardiness and early departures from rehearsals to ensure everyone's safety and to ensure that PCC's absence policies are consistently and fairly enforced. It is the member's responsibility to check in with the attendance taker at the beginning of EVERY rehearsal. If the member must leave early or arrive late, it is his or her responsibility to let the director know in advance.

SCHOOL & COMMUNITY MUSIC PARTICIPATION POLICY

As a PCC member, you are strongly encouraged to participate in your school choir/music program. School music programs provide regular singing technique/musicianship building, experience singing additional literature, the chance to learn from different music directors, additional singing opportunities (all-state groups, solo/ensemble festivals, tours, competitions, and musicals), opportunities for leadership, and the opportunity to serve as role models. Involvement in your school choir and the training and experience you gain there, along with the support you receive from your music director will make you a stronger member of PCC. In turn, your school music program will benefit from the technical, musical and leadership skills you develop as a PCC member. Our area music educators are an important part of the support network for PCC. We also encourage community music event participation.

WEATHER CANCELLATIONS:

(Check www.FACEBOOK.com/PlattevilleChildrensChoirs or www.pchorale.org after 4pm on Mondays)

Since many members of our choirs travel some distance to participate, PCC is sensitive to weather related travel safety and we usually cancel rehearsals/concerts if travel is questionable. You should ALWAYS check the website or Facebook page after 4:00pm to verify that rehearsal has been cancelled before travelling. These cancellations will not count toward your absence quota. If you should decide that travel is not acceptable for you but the PCC event is being held, this will count toward your semester absence quota unless otherwise announced.
